Frequently Asked Questions

What are the prices if I have a different number than the amount listed above?

We adjust the food and staff count according to the guest count. This can be viewed on a proposal created especially for your wedding.

Do you offer vendor meals?

Yes, we offer the same entrees without the hors d'oeuvres at \$10 less per person for your vendors (DJ and Photographer). These charges are added to your contract upon confirmation

Do you have a children's package?

Yes, we offer a children's menu for children less than 12 years of age. We will work with you to develop and price a special menu for children. We do not charge for toddlers or infants who are not eating but ask that you include them in the guest count for table setup.

Can we provide our own alcohol?

No, the State of Maine requires us to hold a liquor license and therefore we must provide and serve all liquor. No liquor may be brought in from any outside source.

What is the deposit requirement?

We require a 30% deposit to secure the date. 30% is due 90 days before event. Full payment must be received 7 days before the event.

Do you offer dessert?

We are happy to help coordinate with a local bakery for any desserts.

Need help with other vendors? Ask for our list of recommended local vendors including – bakers, photographers, florist, musicians, inns and bed and breakfasts.
